

# Omogočanje kamre in mikrofona za videokonference Google Meet

**Za videokonference Google Meet uporabi brskalnik Chrome!**

Ko želiš prvič uporabiti Google Meet, te le-ta vpraša ali mu dovoliš dostop do kamere in mikrofona. **Seveda mu dostop dovoliš.**

Če pomotoma blokiraš dostop do kamere, to popraviš na naslednji način:

The screenshot shows a Google Meet browser window with a permissions dialog box open. The dialog box is titled "Povezava je varna" and lists various permissions. The "Kamera" permission is currently set to "Blokiraj". A red arrow labeled "1." points to the lock icon in the browser's address bar. A second red arrow labeled "2." points to the "Blokiraj" dropdown menu for the camera. A third red arrow labeled "3." points to the "Dovoli" option in the dropdown menu. Below the dialog box, a black banner displays the text "Kamera je izklopljena". On the right side of the page, there is a section titled "Ste pripravljeni, da se pridružite..." with buttons for "Pridruži se" and "Predstavitev".
